DOWNTOWN FARMINGTON
A Main Street Project

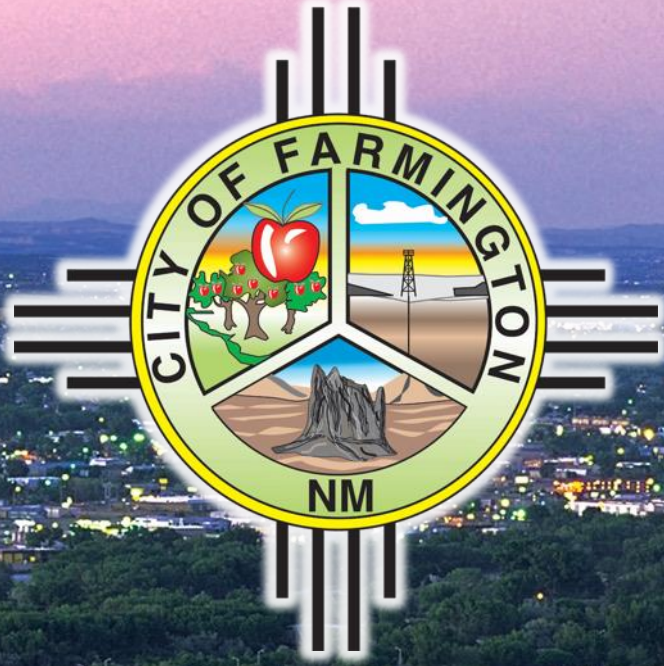

Placemaking

- The City invested nearly \$25 million downtown streetscape, Civic Center, and Totah Theater improvements that have:
 - Increased foot traffic
 - Calmed automobile traffic
 - Created a “sense of place”
 - Attracted more night-life
- New events and programming coming to the Downtown Core
- Over 15 new businesses have moved into downtown since construction began
- Many existing businesses citing increased revenues
- Removal of blighted buildings (Pinon and Miller, Sage Motels, Anasazi Inn)

Other Projects

- Gateway Park received \$300k for Farmers Market Pavilion
- Regional Trail Grant could extend river trails
- New Police Station on HWY 64

Location Neutral Jobs (Remote Workers)

- Farmington provides world class amenities in outdoor recreation, quality of life and access to amenities of communities 3x its size
- Provides a low cost of living in utilities, housing, and tax rates
- Access to Gigabit internet speeds in town
- Arts, culture, dining and other placemaking features that are an attractor for future residents
- Create jobs, attracts workforce, and adds to the economy
- Engaging in plans and looking for funding opportunities to increase broadband capabilities across Farmington Electric Utility's 1,700 sq mile service area
